

Dear customer,

We would like to advise you that, upon delivery of your vehicle for sealift expedition to the North, it is essential for you to note and observe the following safety measures:

- No parcel(s) are allowed to be stowed on the front seats;
- No cargo must surpass the lower level of cabin windows;
- Shippers will limit the personal effects to no more than 150 kgs, while considering the safe limits of the vehicle suspension.

Should you have any question or require further details, you may use our toll-free number 1-866-SEA-LIFT (866-732-5438) to communicate with us or with our Sales Department.

We thank you in advance for helping us making our operations as safe as they are efficient.
